#### **Zippy Point is Free? Um, What’s the Hitch?**

One of my favorite moments in talking to folks about my plans to launch Zippy Point was when one friend abruptly stopped me when I explained the platform would be populated with instructional videos, available for free. He blurted out, “Free? What’s the hitch?”

I’d been so used to the notion that all the content was complimentary – dutifully plowing ahead for several months – that I hadn’t considered an answer to the question in some time. Frankly, I was at a loss for words, other than to softly say “there is no hitch.”

That’s because there is no hitch. My motivation for launching Zippy Point was to give back to the community. To educate the next generation. To keep our community united in tough times. To not price out those that can’t afford the alternatives that have become way too expensive in my humble opinion.

Of course, having said all that, I am relying on the generosity of the community to donate to the cause if they find my content of value. So I can buy health care for my family, so I can recoup my operational costs.

You’ll see my recommended levels of support on my [“Pay-What-You-Can” page](#) are a fraction of what other providers are charging. If you don’t see what you need, please do drop me a line: [broc@zippypoint.com](mailto:broc@zippypoint.com). Thank you for being a part of the community – and here’s [my 2-minute](#)
